## Love a good raffle?

Lucky Lotteries is a raffle-style game with over 10,000 prizes in every single draw. Choose from Super Jackpot or Mega Jackpot. Each game has a set amount of numbers per draw. The winning numbers are drawn once all numbers are sold.

### The top prize

The Jackpot Prize starts at \$500,000 for Super Jackpot and \$1M for Mega Jackpot. Both games keep jackpotting after each draw if the Jackpot Prize isn't won.

### Other prizes

There are over 10,000 prizes in every single draw. In each draw there's a Jackpot Prize, 1st Prize and over 10,000 other prizes available to be won.

### How the draw works

The winning numbers are drawn after the draw has sold out.

### How to play

You don't choose your numbers when playing Lucky Lotteries. Simply choose how many numbers you'd like to play, and whether you'd like them allocated randomly or in sequential order, and the numbers will be generated for you.

### Entry price

Play Super Jackpot from \$2.20 (1 number) or Mega Jackpot from \$5.50 (1 number).

### When to get your entry in by

Any day could be your Lucky day. There's a handy draw schedule at [thelott.com](http://thelott.com)

Buy your tickets in-store, online at [thelott.com](http://thelott.com) or via The Lott app.

Chance of winning are based on 1 standard game / number. Chance of winning a Jackpot Prize in Lucky Lotteries Super Jackpot is 1 in 18,385,877; 1st Prize is 1 in 270,000; 2nd Prize is 1 in 270,000; 3rd Prize is 1 in 270,000, 4th Prize is 1 in 135,000; 5th Prize is 1 in 27,000, 6th Prize is 1 in 13,500; 7th Prize is 1 in 2,700; 8th prize is 1 in 450; 9th Prize is 1 in 360; and 10th Prize is 1 in 109. Chance of winning a Jackpot Prize in Lucky Lotteries Mega Jackpot is 1 in 9,483,168; 1st Prize is 1 in 200,000; 2nd Prize is 1 in 200,000; 3rd Prize is 1 in 200,000; 4th Prize is 1 in 40,000; 5th Prize is 1 in 20,000; 6th Prize is 1 in 8,000; 7th Prize is 1 in 2,667; 8th Prize is 1 in 334; 9th Prize is 1 in 286; and 10th Prize is 1 in 72.

## How does the game work?

---

There are 2 draws to pick the Lucky Lotteries winners.

The first draw chooses the winning numbers. To take home one of the 10 levels of cash prizes, your number needs to match one of the winning numbers drawn. If you happen to be 1 number off a winning number, you'll even win a consolation prize.

The second draw determines if someone wins the jackpot. If the number drawn in this second draw matches any of the winning numbers (excluding Consolation Prizes) from the first draw, the Jackpot Prize is won!

There are 4 prize divisions available to be won in every draw. You can win prizes by correctly matching the order the winning numbers were drawn in the corresponding Monday & Wednesday Lotto or Saturday Lotto draw.

#### How the draw works

The winning numbers for Lotto Strike are based on the first 4 numbers drawn in the corresponding Lotto draw on Monday, Wednesday or Saturday.

#### How to play

Choose 4 numbers (from 1 to 45) per game (1 standard game is the minimum).

#### Entry price

Play Lotto Strike from \$1.10 (1 standard game).

#### When to get your entry in by

The draw closes at 7.30pm AEST each Monday, Wednesday and Saturday (8.30pm AEDT during daylight saving).

Buy your tickets in-store, online at [thelott.com](http://thelott.com) or via The Lott app.

## Choose how to play

---

### Choose my own numbers

You'll need a coupon (they're available in-store) or select 'create your own' online. Select how many chances you'd like to win, then mark the numbers you'd like to play.

*(Tip: check our page 20 for other ways to play, including a Boxed entry which gives you 24 combinations of your 4 numbers. It means that your 4 numbers can be drawn in any order within the first 4 Lotto balls).*

---

### Choose my numbers for me

You're after a QuickPick entry. Choose how many games you'd like to play, and your numbers will be randomly generated for you.

---

## How to win

---

The winning numbers are available once the corresponding Lotto draw has taken place, which is usually around 8.30pm AEST each Monday, Wednesday and Saturday (9.30pm AEDT during daylight saving). You'll win a prize if your entry correctly matches the order that the winning numbers were drawn (e.g. 1st, 2nd, 3rd or 4th) in a single game panel, in the corresponding draw for Monday & Wednesday Lotto or Saturday Lotto.

# Ready to play? Here's how.

## Pick entry

Available for Lotto, Oz Lotto and Powerball, this entry type guarantees you 1 or 2 winning numbers.

SYSTEM

## System entry

This entry allows you to play more numbers, with more chances to win across multiple prize divisions. We've got a How to Play Systems guide you can find in-store.

## QuickPick

Just like the name suggests, it's a quick and easy way to play. Your numbers will be randomly generated for you.

## Marked entry

Do you like to choose your own numbers? Create your own entry. Grab a coupon in-store or select 'create your own' online or via The Lott app.

## Top up

You can mark a few panels on a coupon, then top up your entry to any QuickPick level.

## Play again

If you're keen on keeping the same numbers, just present your existing entry in-store and ask to 'play it again'. You can do this for all entries except Lucky Lotteries and syndicates.

---

#### **Boxed entry**

A Boxed entry can be played with Lotto Strike and means your numbers can be drawn in any order within the first 4 balls drawn. Head to [thelott.com](http://thelott.com) for more information.

#### **Advance entries / draws**

If you like, you can play your entry in a future draw - up to 9 weeks in advance for Lotto, Oz Lotto, Powerball, Set for Life and Lotto Strike.

#### **Multi-week entries**

Play the numbers you like for up to 10 consecutive weeks.

#### **Multi-draw entries**

You can play the same numbers across multiple draws. For Lotto, you can play the same numbers in all 3 Lotto games (Monday, Wednesday and Saturday).

#### **Syndicates**

Want more chances to win and share the entry cost? If you play a syndicate, you'll be entitled to a proportionate share of any winnings. Syndicates available for Lotto, Oz Lotto and Powerball.

#### **PowerHit**

If you're playing Powerball, a PowerHit entry guarantees you that draw's winning Powerball number.

# How do I know I've won?

## Head in-store

You can scan your ticket using the self-service ticket checker or you can ask your retailer to check it for you.
